MarvelOptics.com announces their National Scholarship Essay Contest

SUGAR LAND, Texas, March 26, 2015 (GLOBE NEWSWIRE) - MarvelOptics.com, a leading prescription eyeglass company, is pleased to announce they will be holding a "MarvelOptics.com National Scholarship Essay Contest". The essay winner selected will receive a \$1500 scholarship. The founders of MarvelOptics.com are young entrepreneurs who know the value of quality education. They appreciate hard work and ambition, and believe that money should never become an obstacle when working towards one's dreams.

Twice this year, The MarvelOptics.com Team will hold an essay contest to award a \$1500 scholarship to one lucky student to put toward his or her tuition and fees for a total of \$3000 awarded. The funds will be distributed for the fall 2015 and spring 2016 semesters.

To be eligible, students must be enrolled fulltime, in an accredited American university or college. There is no age requirement.

To apply, students must submit a 500word essay on the following topic: Why is sight/vision important? What does the following quote mean to you? "Keep your eyes on the stars, and your feet on the ground" – Theodore Roosevelt The essay submission deadline is 12:00 midnight EST August 10th 2015 for fall semester and January 5th 2016 for the spring semester. Essays will then be reviewed by a panel of independent judges and the winner will be announced on: August 31st 2015 and

January 26th 2016 on the MarvelOptics.com website, MarvelOptics.com social media pages and through a PR announcement. The winner will also be notified via email or phone.

ABOUT MARVELOPTICS.COM MarvelOptics.com was created with customers in mind, those who are looking for quality eyewear at an affordable price. It is in their DNA to understand your needs, and create innovative solutions better than anyone thought possible. Unlike most other Internet eyewear providers, MarvelOptics.com aims to build lasting relationships with their customers. The independent needs of their customers, and their unique challenges, drives MarvelOptics.com to look beyond the conventional industry business models. They identify strong suppliers from around the world, audit their factories, and alter their processes to ensure they meet the flexibility their customers need. The standards are high, and only the best suppliers make the cut. Once approved, they avoid the middlemen in order to work directly with the suppliers to reiterate their customer's comments and concerns. They have learned that this creates a never-ending cycle of continuous improvement and customer satisfaction.
